

"Coming together is the beginning, Keeping together is progress, Working together is success."

~ Henry Ford

Dear Friends of the Community,

Sansei Baseball League (SBL) is a deep-rooted community sports organization in the South Bay area with over 280 players and families that focuses on the "Spirit of Sportsmanship" where inclusion and positive reinforcement is the key to the development of our youth. Winning is not just the score at the end of the game, but seeing the accomplishments of our youth both in skill and sportsmanship. The "Spirit of Sportsmanship" is about teamwork, respect, and fun.

Because our League does not own our own fields, we must rent from the Torrance Unified School District. These fees are the League's biggest expense. As a result, we are pursuing community partnerships to support these costs. Ultimately, we want to enable every family the opportunity to experience the League's mission at a reasonable cost level. We also use these funds for scholarships to our alumni as they transition from High School to higher education.

Enclosed is a Sponsorship Opportunity Information Sheet that describes the various opportunity levels as well as the new opportunity to sponsor events. We are confident that by working together will not only benefit our players but will also promote and help your business. Your support "closes the circle" on the relationship between businesses, organizations, and families. We want to show our youth that giving back not only feels good, but it strengthens our community as a whole.

Thank you for considering sponsoring Sansei Baseball. For more information, visit our website at www.sanseibaseball.com. If you have any questions or concerns, please do not hesitate to reach out to us.

Sincerely,

A handwritten signature in black ink, appearing to read "Ken Ito".

Ken Ito
